Deming's cycle

Creating local strategies

Monitoring

- Quantitative data:
 - General population survey
 - ESPAD survey
 - Reports on the implementation of programs
 - Epidemiological data
- Qualitative data
 - Meetings with implementers of activities

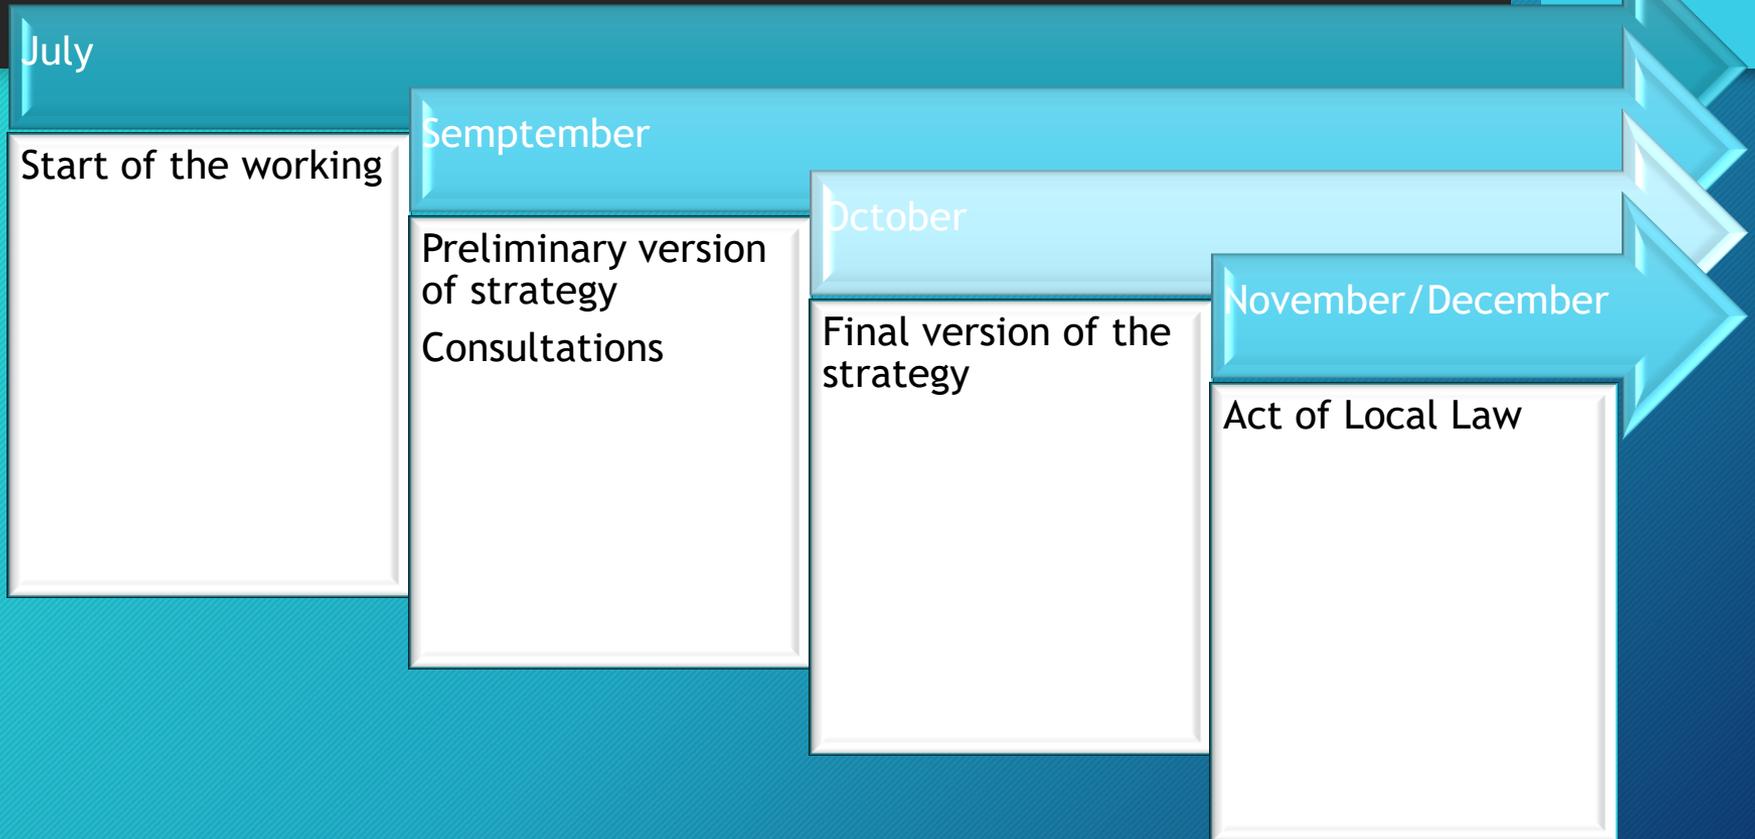

Searching for solutions

- Team of specialists:
 - Prevention specialists
 - Officials
 - Researchers
 - NGO's

Consultations

- Social consultation of the strategy:
 - Clinics and doctors
 - NGO's
 - Schools
 - Social workers
 - Police and Municipal Police
 - Interested residents of the city

Searching for the solutions

Implementation of the solutions

- Realization of the tasks
 - Executors: NGO's, Health Centres
 - Financing: municipality funds, central funds
 - Monitoring

How we cooperate

NGO's and Health Centres

- Competition / Bidding
 - Defined rules and conditions
 - Quality standards of programmes:
 - Effectiveness
 - Economy
 - Accreditation of programmes (Ministry of Education, National Bureau of Drug Prevention, State Agency for Prevention of Alcohol Related Problems)
- Offers assessment by interdisciplinary team:
 - specialists in the field of prevention
- The best offers (bids) will be implemented and funded

How we cooperate Schools

- Schools
 - Trainings for teachers financing by Municipality
 - Technical support for implementation the programmes
 - Dedicated lessons for pupils based on recommended programmes - about 12 h

Implementation of the solutions

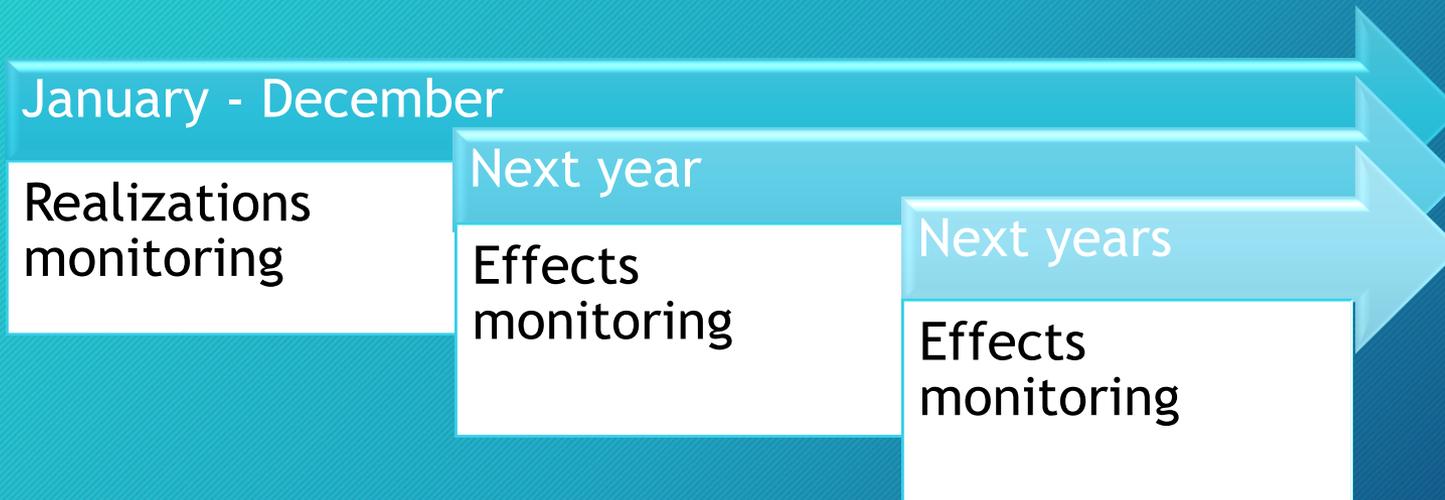

January - December

Realization of the tasks

Checking of the solutions

- Evaluation
- Surveys

Checking of the solutions
